

# RENAMING COLOURED

You white people  
give back **our** land!

It's **not** your land either.  
South Africa belonged  
to the "Coloureds" **first**,  
long before we came here.

And we **are not**  
Coloured or Black  
people. We are  
**Khoi-San** people.

The group name "Coloured" didn't exist before 1950 in SA.
